- Learn To Code (free course)

Experience

MUSIC DIRECTOR/MANAGER/MUSICIAN - SAXOPHONES, FLUTE & CLARINET

Princess Cruises /Carnival Cruise Lines 2006 - 2017

ROLE

- Managed an internationally diverse team of ~25 people and all onboard music delivery such as bands, DJ's and custom playlists efficiently
- Worked effectively with all onboard departments to provide musical vision and support
- Continually monitored guests' reactions to onboard musical performances and provided prompt, useful feedback to shoreside operational management
- Strategically planned music to enhance revenue in all onboard revenue areas and music venues by working closely with the Food & Beverage Department

PROJECTS

- **"The Voice" of the Ocean install:** Worked with the producer of the TV series "The Voice" and Talpa Entertainment to install and premier "The Voice of The Ocean" on the Grand Princess
- **Digital Tablet install:** Tasked with installing and instructing the use of a system of eTablets with music notation software on the Grand & Diamond Princess
